

The Impossible Dream - Mitch Leigh & Joe Darion

To (G) dream the impossible (Gmaj7) dream,
To (C) fight the unbeatable (Cmaj7) foe,
To (Bm) bear with unbearable (C) sorrow,
To (Am) run where the brave dare not (D) go.

To (G) right the unrightable (Gmaj7) wrong,
To (C) love pure and chaste from a- (Am7) far,
To (Bm) try when your arms are too (C) weary,
To (Am) reach the unreachable (D) star.

This is my (G) quest, to follow that (Em) star,
No matter how (Bm) hopeless, no matter how (C) far.
To fight for the (Em) right without question or (D#) pause,
To be willing to (G) march into (Em) hell for a heavenly (F) cause,
And I (Am) know if I'll only be (F) true to this glorious (B) quest,
That my (C) heart will lie peaceful and (Am) calm when I'm laid to my (Cm) rest. (D)

And the (G) world will be better for (Gmaj7) this,
That one (C) man, scorned and covered with (Am7) scars,
Still (Bm) strove with his last ounce of (C) courage,
To (Am) reach the unreachable (D) star.

To (G) reach the un- (D) reachable (G) star.
